

FOR IMMEDIATE RELEASE:

A NEW MR. PISH CHILDREN'S BOOK MAKES THREE

2011 Was a Big Year for the Traveling Terrier

Cambridge, Maryland, 8 December 2011 — Just in time for the holidays, Cambridge Books has released Postcards from Mr. Pish: A Cross-Country Journal Volume 2, the third book in the educational Mr. Pish series by K. S. Brooks. It's currently available on Amazon.com and will become available through bookstores and other online venues soon.

Postcards from Mr. Pish Volume 2 follows the adorable Jack Russell Terrier, Mr. Pish, as he embarks on a new adventure, traveling from his home in Washington State, up into Canada, and all the way to the East Coast. The book features full-color photographs designed to entertain and teach children about the U.S. and Canada.

"Mr. Pish engages children on a level they appreciate," JD Mader, writer and clinical reading specialist at The Literacy and Language Center in San Francisco said of Postcards from Mr. Pish Volume 2. "He encourages them to take part in his explorations and learn with him. This is an excellent book to read at home or in a school environment, as it encourages interaction and exploration...all with the wag of a tail."

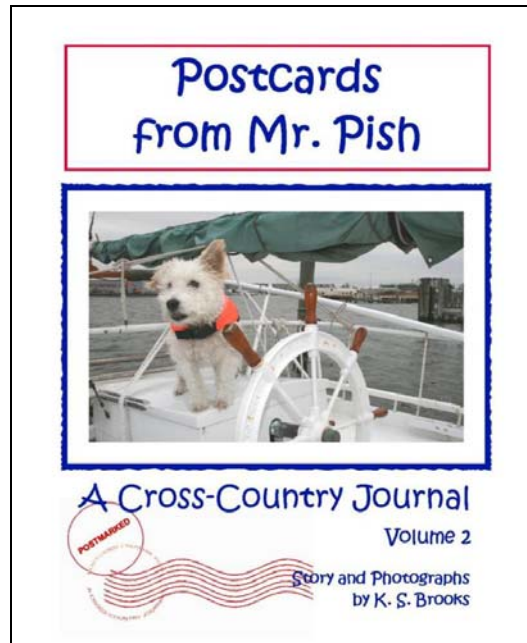

Mr. Pish hit the road back in January 2011 to research his new books and to promote outdoor learning and literacy. When he was done, he'd brought his tour tallies up to 41 States, Washington DC, and 7 Provinces of Canada. This caught the attention of FIDO Friendly Magazine who selected Mr. Pish as one of the top 50 in the world of dogs for their celebratory 50th issue (July/August 2011). Just last month, his second book, Mr. Pish's Woodland Adventure, was named to the Top 150 Books of 2011 by Conversations Book Club. "There is the perfect marriage of words and pictures that will keep your attention," says book club President, C.A. Webb.
