

Thank you very much for purchasing **Postcards from Mr. Pish East Coast Edition**. We hope that you had fun and learned some things at the same time.

Here's a fun worksheet for you. My secretary had some very nice teachers review it (and all my books, too) to make sure it was good for kids and would help them learn in a fun and interactive way. If you would like to download this worksheet, you can do it for free at my website, www.MrPish.com

If you enjoyed this book, please make sure to tell your friends. We would also appreciate it if you would leave a review so other people can know what you thought.

All Mr. Pish books and apps are geared towards outdoor learning and literacy. We hope you will check them out.

If you'd like, you can sign up for my newsletter on my website so you can learn about new releases, contests, and free books.

Okay, have fun with the worksheet! The answers are on the back page. Woof!
